

UNITED ENVIRO. SYSTEMS, INC.

06 November 1995

Mr. Andrew Marchese, President
MEADOWLANDS PLATING & FINISHING COMPANY
890 Paterson Plank Road
East Rutherford, New Jersey 07073

Dear Mr. Marchese,

UNITED ENVIRO. SYSTEMS, INC. is pleased to submit the following revised price quotation for the proper staging, removal and disposal of the waste F006 sludge located at your East Rutherford facility. The costs associated with this project will be as follows:

DISPOSAL - At Envirite Corporation, York, PA*

Est. 22 tons (1 rolloff) x Waste F006 Sludge @ \$200.00/ton	\$4,400.00
Est. 1 x Rolloff Liner @ \$35.00/liner	\$ 35.00
Est. 1 x Monthly Rental for Rolloff Box @ \$200.00/month	\$ 200.00

*Please note there will be a one-time only charge of \$250.00 for the initial spotting of the first rolloff box at your facility. The total charges per ton for the sludge is \$256.14.

TRANSPORTATION -

Rolloff box containing 22 tons sludge to York, PA @ \$40.00/ton	\$ 880.00
---	-----------

Freight charges require a 22-ton per rolloff weight minimum.

MANPOWER - All Technical Manpower Charges are Portal to Portal.

Est. 2 hrs. x 1 Technical Field Assistants @ \$45.00/hour	\$ 90.00
(To complete all necessary legal documentation, QC, and load truck.)	
Est. 1 hr. x Technical Administrative Coordinator @ \$30.00/hour	\$ 30.00
(To coordinate approval process and shipment, as well as prepare all necessary legal documentation.)	

PLEASE NOTE THIS IS ONLY AN ESTIMATE. TOTAL ACTUAL COST MAY BE ADJUSTED (INCREASED OR DECREASED) DEPENDING UPON THE AMOUNT OF WASTE MATERIAL AT TIME OF DISPOSAL. MANPOWER WILL BE BILLED BY THE ACTUAL NUMBER OF MANHOURS SUPPLIED. ANY CHANGES IN STATE AND FEDERAL REGULATIONS AND/OR DISPOSAL FACILITY PROTOCOL WILL ALSO IMPACT PRICING.

All functions performed by UNITED ENVIRO. SYSTEMS, INC. are held in strict compliance with State, Federal, and disposal site environmental regulations.
